

## 1946 DODGE & 1938 DIAMOND T HAULER

Warehouse distributor **Premier Performance's 1946 Dodge SixPak rat rod** will be returning to booth #21451 at the **SEMA Show**, this time on the back of a custom-built **1938 Diamond T hauler**. Also under **Cummins** power, the Diamond T was built by **Weaver Customs** in Salt Lake City.

"The duo of *SixPak* and the Diamond T are a testament to Premier's enthusiast employee base, loyal dealer network and talented technical staff," the company writes. "While *SixPak* has an **Industrial**

**Injection**-built 12-valve, the Diamond T utilizes a 24-valve and both roll on **American Force** wheels, are equipped with air ride suspension systems and have the ability to manually adjust their fueling with the **Attitude Performance Attitude Adjuster.**"

*SixPak* participants include: **ARP, CP-Carrillo, ATS Diesel, B&M, Diamond Eye Performance, Icon Vehicle Dynamics, Vision X, Truck-Lite, Hellwig Products, Firestone, Heat-shield Products, Air Lift Co., Mickey**

**Thompson Performance Tires & Wheels, SSBC, Hawk Performance, Flex-a-Lite, Nitrous Express, Vibrant Performance, Yukon Gear & Axle, AutoMeter, FASS Fuel Systems, Synergy Manufacturing, Artec Industries, Painless Performance, Edge Products, MAHLE Original and McGaughys.**

Diamond T participants include: **Borg-Warner, Air Lift Co., WARN, FASS Fuel Systems, American Autowire, ARP, Ogden Chrome, KICKER, J.W. Speaker, RideTech and ididit.**
